# Free early learning and childcare is increasing

Free early learning with a nursery or childminder supports your child's development.

**Social skills:** spending quality time with other children and adults

**Learning:** young children learn while they play and explore

**Routines:** children gain confidence, independence, and a sense of security

Free hours are available for 38 weeks a year, or some providers will allow you to 'stretch' the hours over more weeks, using fewer hours each week.
