SENCO

SPECIAL EDUCATIONAL NEEDS COORDINATOR'S ROLE Have you got questions about a child's development? Support is here for you.

How do we share families information safely using Data Protection procedures?

Do you know what an Education Health and Care plan is? How does it support a child's wellbeing?

Our preschool welcomes the opportunity to work with families and children with different needs and varied abilities.

Inclusive practice is core to everything we do. Our SEND policy governs how we do this. We work within the borough with a multi-agency approach.

Find the SEN policy on our website for more information
